

John Doe Short Bio

John Doe has worked as a roofer, an aluminum siding mechanic, a manager of poetry readings, a musician, and an actor. With Exene Cervenka, Billy Zoom, and DJ Bonebrake, he continues to tour with X, one of the last original punk rock bands standing, and as a solo artist. He has recorded ten solo records with numerous renowned singers and musicians and as an actor has appeared in over fifty films and television productions. On this tour he will perform solo renditions of songs from his latest album, *The Westerner*, along with selections from his entire career.
