

Wesley Stace's Cabinet of Wonders

Welcome to the Cabinet of Wonders, a one-of-a-kind variety show featuring world-famous musicians, leading novelists, and comedians in a rare showcase of talent hosted and curated by musician and author Wesley Stace.

Since its inception in 2009, Cabinet of Wonders has established itself in New York, and on tour in the USA and Europe, as an exciting stage for both prominent and emerging voices in music, literature and comedy. Stace originally conceived Cabinet of Wonders as a way to bring together his creative friends; he handpicks the performers and facilitates unusual onstage collaborations for each show, managing to weave the diverse lineup into an unforgettable night. An acclaimed artist in his own right, Stace has released 16 albums under the name John Wesley Harding, one under his birth name, and published four novels.

A one of a kind variety show with celebrated musicians, writers and comedians. You'll laugh, think and sing along. Sometimes all at once.

A little bit vaudeville, a little bit literary and a lot of rock n' roll—you can never predict what's inside the Cabinet of Wonders.
