

Nellie McKay

Short Bio 2023

Since *Get Away from Me*, Nellie's debut record, she has released a bunch of well-received albums with as many different sounds, ranging from pop to jazz to rock & folk, always defying categorization.

Her music has been used on radio, TV, and in the movies, and she has appeared on many shows, from *Letterman* to *A Prairie Home Companion*, as well as writing & performing acclaimed bios of Barbara Graham, Rachel Carson, Billy Tipton, and Joan Rivers.

A nominee for The Ovation award for Ethan Coen's *A Play is a Poem*, Nellie won a Theatre World award for her work on Broadway in *The Threepenny Opera*, & Drama Desk award for off-Broadway's *Old Hats*.

She has written and activated for humans, animals, and the environment since childhood, and continues to push for peace & justice for all.
